Brand new home to call your own! Tidy, compact design with two full length porches! The front porch welcomes you home. The front entry brings you to an open floor plan with a combination dining/living room and a breakfast bar. The nicely appointed, very workable kitchen features granite counter tops and beautiful cabinets. Split bedroom design with a full bath in between and 1/2 bath in the master bedroom. Patio sliders open on to the back porch from both bedrooms for a relaxing outdoor living space. Metal roof, Trex decking, and SmartSide siding for very low maintenance. A blank slate to create your modern cabin style! The seller is offering \$5000 toward landscaping or buyers closing costs!
